EXPERIENCE

NextComputing
2005 - Present

● Graphic Designer: Marketing
Responsible for designing all online and printed marketing material. This includes datasheets, flyers, presentations, main company website and sub-sites, email newsletters, editing marketing videos, and rendering market-ready images from 3D engineering models.

Stal-McLane
2004

● Production Artist
Assisted the Art Director with creating marketing material for a wide range of clients including restaurants, construction companies, and banks. Designed graphics and layouts based on sketches, client specifications, and personal creative input.

360KID
2002 - 2004

● Graphic Designer
Produced illustrations and designs for clients and company marketing. Created animations for interactive programs, games, and informational videos.

Nex Graphix
2002

● Graphic Designer
Worked via design brief or directly with clients to create flyers and posters for events such as concerts, fundraisers, and night clubs.

EDUCATION

New England School of Art and Design
1998 - 2001

● Bachelor of Fine Arts
Focus: Graphic Design. Delta Alpha Pi Honors Society
